As well as over 4000 clear and concise entries, this dictionary also contains biographies of key figures in world history. Other useful features include, subject entries on religious and political movements, maps, and full international coverage.

An exceptionally clear and quick reference for general readers, providing a survey of world history in 7,500 alphabetical, cross- referenced entries. Not the least of its merits is the effort made to avoid a purely Eurocentric balance of entries and, within European entries, to provide

Acces PDF A Dictionary Of World History Oxford Quick Reference

more extensive coverage of Eastern Europe than has hitherto been usual. Includes 36 specially commissioned maps.
Annotation copyright by Book News, Inc., Portland, OR

Demonstrates that the Oxford English Dictionary is an international product in both its content and its making.

Books in one form or another have been with us since the beginning of civilisation, and the study of them is an essential part of the study of the history of civilisation itself. This dictionary is a handbook for all those who need to know about the history of books: scholars, bibliophiles, research students, librarians and booksellers. It will provide quick and easy reference for the specialist and non-specialist alike in

Acces PDF A Dictionary Of World History Oxford Quick Reference

unfamiliar territory. The dictionary is an alphabetical listig of articles in the following categories: Bibliographical terminology, bibliographers, bibliographies and bibliographical societies ; The history of printing, publishing and bookselling ; The physical history of the book: binding, typography, illustration and paper ; Book collecting, book collectors and libraries ."--Inside front cover.

Lists 2,000 entries of world-wide historical terms and phrases from the Roman Empire to the present day.

This authoritative dictionary includes country entries for

every country in the world (with maps and historical summaries) as well as coverage of military conflict, major world events, and key political and cultural figures. Essential reading for all with an interest in history and current affairs.

"The World Health Organization's history spans more than six decades. The past twenty years has been a particularly busy period in the organization's development, given the transition from international to global health cooperation and thus the need to adapt to major changes in its operating environment. Consequently, the WHO has been a direct part of new institutional arrangements and has shared in increased funding to provide for global health. It has also had to adapt its activities and programs in response to rival

Acces PDF A Dictionary Of World History Oxford Quick Reference

initiatives, leading to many changes--not only to the names of specific parts of the WHO but also to the nature of their activities. This second edition explores the organization's institutional complexity."--Back cover.

The Historical Dictionary of the Mongol World Empire examines the history of the Mongol Empire, the pre-imperial era of Mongolian history that preceded it, and the various Mongol successor states that continued to dominate Eurasia long after the breakdown of Mongol unity. This second edition contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 900 cross-referenced entries on important personalities, politics, economy, foreign relations, religion,

Acces PDF A Dictionary Of World History Oxford Quick Reference

and culture of the Mongol Empire. This book is an excellent resource for students, researchers, and anyone wanting to know more about the Mongol Empire.

Contesting the French Revolution provides an insightful overview of one of history ' s most significant events, as well as examining the most significant historiographical debates about this period. Explores the causes, events, and consequences of the French Revolution Offers a stimulating analysis of the most controversial debates: Were the events of 1789 a social revolution or a political accident? Did they mark the rise of industrial capitalism or the birth of modern democracy? Was Napoleon Bonaparte an heir to the ideals of 1789 or a betrayer of the Revolution? Shows how historical

Acces PDF A Dictionary Of World History Oxford Quick Reference

interpretation of the French Revolution has been influenced by the changing political and social currents of the last 200 years – from the Russian Revolution to the fall of the Berlin Wall – and how historical study has shifted from a political focus to social and cultural approaches in more recent years.
