Study & Master Accounting Grade 10 has been especially developed by an experienced author team according to the Curriculum and Assessment Policy Statement (CAPS). The comprehensive Learner's Book includes: * case studies which deal with issues related to the real world, and move learners beyond the confines of the classroom * margin notes to assist learners with new concepts - especially GAAP flashes, that give learners guidance on General Accepted Accounting Practice * examples with solutions after the

introduction of each new concept. The Teacher's File includes: * a daily teaching plan, divided into the four terms, that guides the teacher on what to teach per day and per week * moderation templates to assist teachers with assessment * solutions to all the activities in the Learner's Book. The CD-Rom with a PowerPoint presentation includes: * interactive examples to explain new concepts * links to all solutions to activities and assessments in the Learner's Book

March, September, and December issues include index digests, and June issue includes cumulative tables and index digest.

This book presents all the publicly available questions from the PISA surveys. Some of these questions were used in the PISA 2000, 2003 and 2006 surveys and others were used in developing and trying out the assessment.
