Blending aspects of memoir, history, and travel narrative into an elegant and unique tapestry, Stothard uses the sights and sounds of the ancient city to reconnect with the experiences that shaped his life. Melancholy yet often humorous, Alexandria probingly deconstructs the enigma of modern Egypt—with its uneasy mix of classical touchstones and increasingly volatile Middle Eastern politics—and offers a first-hand glimpse into the fracturing state just before the Tahrir Square uprising and the start of the Arab Spring.

What if Sherlock Holmes had turned to crime instead of detection? **THE CRIMINAL MASTERMIND OF BAKER STREET** by Rob Nunn investigates this very concept. Holmes famously said that “when a clever man turns his brains to crime it is the worst of all.” A sinister influence is at work in Victorian London with Sherlock Holmes and Doctor Watson running a hidden criminal empire. **THE CRIMINAL MASTERMIND OF BAKER STREET** explores all of Sir Arthur Conan Doyle’s original stories through the lens of Holmes as a criminal while adding many new exciting tales of Holmes’ daring to delight its readers.

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master’s candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government’s Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

A stunning debut novel with an intriguing literary hook: written in part as a letter from a victim to her abductor. Sensitive, sharp, captivating! Gemma, 16, is on layover at Bangkok Airport, en route with her parents to a vacation in Vietnam. She steps away for just a second, to get a cup of coffee. Ty--rugged, tan, too old, oddly familiar--pays for Gemma's drink. And drugs it. They talk. Their hands touch. And before Gemma knows what's happening, Ty takes her. Steals her away. The unknowing object of a long obsession, Gemma has been kidnapped by her stalker and brought to the desolate Australian Outback. *STOLEN* is her gripping story of survival, of how she has to come to terms with her living nightmare--or die trying to fight it.
