“ Smart and unflinchingly honest and brilliantly voiced, All We Had is a remarkably accomplished and compelling first novel. Annie Weatherwax ’ s other artistic persona as a visual artist has made her an instant expert at one of the most challenging but fundamental skills of a fiction writer: the ability to render the moment to moment sensual thereness of a scene.

all we had - Annie Weatherwax

Annie Weatherwax has written a stunning, heartrending first novel. “ A vivid journey into the dark side of the American Dream...that alternates between black comedy and heart-breaking realism... All We Had is an enjoyable read that takes an important look at economic insecurity ” (Providence Journal).

All We Had - Wikipedia

When they have a place to stay, they sleep in the same bed, spooned up against each other. They look like they could be sisters. But Rita is the mother, Ruthie is the 14-year-old daughter, and they are the central characters in "All We Had," Katie Holmes' directorial debut, adapted from Annie Weatherwax's 2015 novel.

All We Had movie review & film summary (2016) | Roger Ebert

Annie Weatherwax is an artist and author, most notable for her breakout novel, All We Had. Weatherwax is a known visual artist who describes her artistic voice as “comic realism.” She often writes about social justice and the relationship between visual arts and writing. She has been influenced by the work of Flannery O ’ Connor, Alice Neel, Lorrie Moore, Roy Lichtenstein, and Andy Warhol.

Annie Weatherwax - Wikipedia

Annie Weatherwax liked Shel Stephen’s review of All We Had: “A rough coming of age story, told from the child’s point of view. All they had was each other, mother and child.

A finalist for the Massachusetts Book Award, my debut novel, All We Had, was published by Scribner – Simon & Schuster. Now a major motion picture, produced by Tribeca Films, All We Had, was optioned by actress Katie Holmes before the book was published. I had always wanted to be a writer, but I have had no formal education as a writer.

Starting over in a small town after a series of poverty-induced hardships, 13-year-old Ruthie and her waitress mother, Rita, forge family-like bonds with the locals, only to fall for a subprime mortgage loan scheme that compels Rita to make a desperate choice. A first novel.

Germany, 1934. Rigmor, a young Jewish woman is a patient at Sonnenstein, a premier psychiatric institution known for their curative treatments. But with the tide of eugenics and the Nazis ’ rise to power, Rigmor is swept up in a campaign to rid Germany of the mentally ill. USA, 1984. Sabine, battling crippling panic and depression commits herself to McLean Hospital, but in doing so she has unwittingly agreed to give up her baby. Linking these two generations of women is Inga, who did everything in her power to help her sister, Rigmor. Now with her granddaughter, Sabine, Inga is given a second chance to free someone she loves from oppressive forces, both within and without. This is a story about hope and redemption, about what we pass on, both genetically and culturally. It is about the high price of repression, and how one woman, who lost nearly everything, must be willing to reveal the failures of the past in order to save future generations. With chilling echoes of our time, Where Madness Lies is based on a true story of the author ’ s own family.

New York Times Bestseller: The story of a down-on-his-luck desk clerk, a con man, and a fortune from the author of Rich Man, Poor Man. Pilot Douglas Grimes ’ s best days are long behind him. Grounded due to a medical condition, Grimes has resigned himself to working nights at a seedy hotel. But his fortune flips when he discovers a guest dead from a heart attack and, next to him, a tube jammed with a fortune in cold hard cash. Grimes grabs the money and, with it, the chance to remake his life. Then, in Europe, he meets Miles Fabian, an elegant and erudite con man with a flair for extravagance. Fabian recruits Grimes for his latest ploy: robbing members of the idle rich. But when the fun ends and his bad behavior catches up with him, things will get a lot more dangerous in this clever thriller from the multimillion-selling legend who brought us The Young Lions and countless other bestsellers. Known for both his literary talent—with two O. Henry Awards to his name—and for his ability to tell a propulsive, full-steam-ahead story, Shaw is perfect for those who enjoy the thrillers of Marcus Sakey or Lawrence Sanders. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author ’ s estate.

The Art of Writing Fiction guides the reader through the processes of creative writing from journal-keeping to editing, offering techniques for stimulating creativity and making language vivid. Readers will master key aspects of fiction such as structure, character, voice and setting. Andrew Cowan provides an insightful introduction that brings his own well-crafted prose style to bear on the processes and pleasures of writing fiction, offering practical and personal advice culled from his own experience and that of other published writers. He lays open to the reader his own notes, his writing, and the experiences from his own life that he has drawn on in his fiction allowing the reader to develop their own writing project alongside the author as they go through the book.

Gail, Hannah, Bridget, Lizzy, Flavia. Each of them has a shameful secret, and each is about to find out that she is not alone... Gail, a prominent Boston judge, keeps receiving letters from her husband’s latest girlfriend, while her husband, a theology professor, claims he’s nine-months sober from sex with grad students. Hannah, a homemaker, catches her husband having sex with a male prostitute in a public restroom. Bridget, a psychiatric nurse at a state hospital, is sure she has a loving, doting spouse, until she learns that he is addicted to chat rooms and match-making websites. Lizzy, a high school teacher, is married to a porn addict, who is withdrawn and uninterested in sex with her. Flavia was working at the Boston Public library when someone brought her an article that stated her husband had been arrested for groping a teenage girl on the subway. He must face court, and Flavia must decide if she wants to stay with him. Finally, Kathryn, the young psychologist running the group, has as much at stake as all of the others. As the women share never-before-uttered secrets and bond over painful truths, they work on coming to terms with their husbands’ addictions and developing healthy boundaries for themselves. Meanwhile, their outside lives become more and more intertwined, until, finally, a series of events forces each woman to face her own denial, betrayal and uncertain future head-on. From author Sylvia True comes The Wednesday Group, a captivating, moving novel about friendship, marriage, and the bonds that connect us all.

Hannah was tall and graceful, naturally pretty, spirited and impulsive, the upper-class young woman who picked, of all men, Lovell—the introverted climate scientist who thought he could change the world if he could just get everyone to listen to reason. After a magical honeymoon, they settled in the suburbs to raise their two children. But over the years, Lovell and Hannah ’ s conversations have become charged with resentments and unspoken desires. She has become withdrawn. His work affords him a convenient distraction. And then, after one explosive argument, Hannah vanishes. For the first time, Lovell is forced to examine the trajectory of his marriage through the lens of memory. As he tries to piece together what happened to his wife—and to their life together--readers follow Hannah on that single day when a hasty decision proves irrevocable. With haunting intensity, a seamless balance of wit and heartbreak, and the emotional acuity that author Heidi Pitlor brings to every page, The Daylight Marriage mines the dark and delicate nature of a marriage. “ A page-turning exploration of unexpressed love and unnecessary loss. Riveting and heartbreaking. ” —GERALDINE BROOKS, author of Caleb ’ s Crossing “ In The Daylight Marriage, there are two mysteries—the whereabouts of a missing woman and the vagaries of the human heart. Heidi Pitlor explores both of these enigmas with equal mastery, merging a shocking crime story with an incisive portrait of a failed marriage. The result is a novel that is fast-moving, emotionally complex, and ultimately heartbreaking. ” —Tom Perrotta, author of Nine Inches “ Pitlor brings forth the emotions that surge beneath the surface with the precision and power of a conductor. . . . This powerful analysis of how dreams become nightmares will make readers want to hold their loved ones close. ” —Booklist, starred review

Miri is the non-twin child in a family with two sets of them—older brothers and younger sisters. The family has just moved to an old farmhouse in a new town, where the only good thing seems to be Miri’s ten-sided attic bedroom. But when Miri gets sent to her room after accidentally bashing her big brother on the head with a shovel, she finds herself in the same room. . . . only not quite. Without meaning to, she has found a way to travel back in time to 1935 where she discovers Molly, a girl her own age very much in need of a loving family. A highly satisfying classic-in-the-making full of spine-tingling moments, this is a delightful time-travel novel for the whole family.

In Depression-era Boston, a city divided by privilege and poverty, two unlikely friends are bound by a dangerous secret in this mesmerizing novel by the New York Times bestselling author of The Perfume Collector. Maeve Fanning is a first generation Irish immigrant, born and raised among the poor, industrious Italian families of Boston ’ s North End by her widowed mother. Clever, capable, and as headstrong as her red hair suggests, she ’ s determined to better herself despite the overwhelming hardships of the Great Depression. However, Maeve also has a dangerous fondness for strange men and bootleg gin—a rebellious appetite that soon finds her spiraling downward, leading a double life. When the strain proves too much, Maeve becomes an unwilling patient in a psychiatric hospital, where she strikes up a friendship with an enigmatic young woman, who, like Maeve, is unable or unwilling to control her un-lady-like desire for freedom. Once out, Maeve faces starting over again. Armed with a bottle of bleach and a few white lies, she lands a job at an eccentric antiques shop catering to Boston ’ s wealthiest and most peculiar collectors. Run by an elusive English archeologist, the shop is a haven of the obscure and incredible, providing rare artifacts as well as unique access to the world of America ’ s social elite. While delivering a purchase to the wealthy Van der Laar family, Maeve is introduced to beautiful socialite Diana Van der Laar—only to discover she ’ s the young woman from the hospital. Reunited with the charming but increasingly unstable Diana and pursued by her attractive brother James, Mae becomes more and more entwined with the Van der Laar family—a connection that pulls her into a world of moral ambiguity and deceit, and ultimately betrayal. Bewitched by their wealth and desperate to leave her past behind, Maeve is forced to unearth her true values and discover how far she ’ ll go to reinvent herself.
