"Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions."--website.

Praised for its relevant, straightforward coverage, ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT, 13E illustrates how to apply legal concepts to business situations. This comprehensive, yet succinct, reader-friendly approach provides a depth of coverage ideal for business success and CPA exam preparation without technical jargon. Integrated and summarized landmark and recent cases work with more than 220 figures, tables, diagrams, and summaries to ensure understanding. Key legal terms are clearly defined and illustrated, while numerous examples relate material to real life. Critical-thinking features strengthen analytical skills as readers acquire a fundamental knowledge of the principles of law that apply to business transactions. Gain insight into the function and operation of courts and administrative agencies and learn to recognize potential legal problems in business. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"The new, eleventh edition of the Essentials of Business Law program is a practical, concise, and broad-based introduction to the vibrant field of business law. While continuing to offer all of the features that have made the ten prior editions successful, this new edition includes a chapter on the areas of law affected by social media, updated content, and enhanced support materials. Both the traditional areas of law, such as contracts and property, and the emerging areas of law, such as e-commerce and environmental, are covered in short, informative chapters written to capture the essence of each topic. The objective of the text throughout its coverage is ease-of-use, ease of teaching, ease of assessment, and ease of understanding. It has been developed for those seeking a more fundamental overview of the concepts and principles that are vital to the understanding of business law"--

Recognized for accurate, relevant, and straightforward coverage, BUSINESS LAW AND THE REGULATION OF BUSINESS, 12E illustrates how legal concepts apply to common business situations. The book's comprehensive, yet succinct, approach provides a depth of coverage ideal for business success and CPA exam preparation without technical jargon. The text includes both landmark and recent cases with the facts and decision summarized for clarity, while the opinion is carefully edited to preserve the language of the court. More than 220 figures, tables, diagrams, concept reviews, and chapter summaries clarify concepts. All key legal terms are clearly defined and explained. In addition, each chapter is carefully organized with numerous illustrative hypothetical and case examples that relate content to real-life experiences. Numerous critical-thinking features further strengthen readers' analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
