It's a powerful combination of the world's best literature and superior reading and skills instruction! Prentice Hall Literature Timeless Voices, Timeless Themes helps students grasp the power and beauty that lies within the written word, while the program's research-based reading approach ensures that no child is left behind.

In this book, Wm. Blake Tyrrell and Larry J. Bennett examine Sophocles' Antigone in the context of its setting in fifth-century Athens. The authors attempt to create an interpretive environment that is true to the issues and interests of fifth-century Athenians, as opposed to those of modern scholars and philosophers. As they contextualize the play in the dynamics of ancient Athens, the authors discuss the text of the Antigone in light of recent developments in the study of Greek antiquity and tragedy, and they turn to modern Greek rituals of lamentation for suggestive analogies. The result is a compelling book which opens new insights to the text, challenges the validity of old problems, and eases difficulties in its interpretation.

Sophocles' play, first staged in the fifth century B.C., stands as a timely exploration of the conflict between those who affirm the individual's human rights and those who must protect the state's security. During the War of the Seven Against Thebes, Antigone, the daughter of Oedipus, learns that her brothers have killed each other, having been forced onto opposing sides of the battle. When Creon, king of Thebes, grants burial of one but not the "treacherous" other, Antigone defies his order, believing it her duty to bury all of her close kin. Enraged, Creon condemns her to death, and his soldiers wall her up in a tomb. While Creon eventually agrees to Antigone's release, it is too late: She takes her own life, initiating a tragic repetition of events in her family's history. In this outstanding new translation, commissioned by Ireland's renowned Abbey Theatre to commemorate its centenary, Seamus Heaney exposes the darkness and the humanity in Sophocles' masterpiece, and inks it with his own modern and masterly touch.

Only through a careful class analysis of these forces and their ideological edicts will we be able to clearly understand the nature of nationalism and ethnic strife around the world."--Jacket.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Though now associated mainly with Sophocles' Theban Plays and Euripides' Bacchae, the theme of Thebes and its royalty was a favorite of ancient Greek poets, one explored in a now lost epic cycle, as well as several other surviving tragedies. With a rich Introduction that sets three of these plays within the larger contexts of Theban legend and of Greek tragedy in performance, Cecelia Eaton Luschnig's annotated translation of Aeschylus' Seven Against Thebes, Euripides' Suppliants, and Euripides' Phoenician Women offers a brilliant constellation of less familiar Theban plays—those dealing with the war between Oedipus' sons, its casualties, and survivors.

The ancient Greek tragedy about the exiled king's final days—and the power struggle between his two sons. The second book in the trilogy that begins with Oedipus Rex and concludes with Antigone, Oedipus at Colonus is the story of an aged and blinded Oedipus anticipating his death as foretold by an earlier prophecy. Accompanied by his daughters, Antigone and Ismene, he takes up residence in the village of Colonus near Athens—where the locals fear his very presence will curse them. Nonetheless they allow him to stay, and Ismene informs him his sons are battling each other for the throne of Thebes. An oracle has pronounced that the location of their disgraced father's final resting place will determine which of them is to prevail. Unfortunately, an old enemy has his own plans for the burial, in this heart-wrenching play about two generations plagued by misfortune from the world's great ancient Greek tragedian.
