When purchasing your vehicle, you should probably expect to be lied to by everyone from the sales department to the financial department. Apples, Oranges, and Lemons is a one-of-a-kind, tell-all book about the automobile trade that reveals inside secrets they don't want you to know. There is no other book like it. It is written by the only person who could, or would. Phillip James Grismer knows the automobile industry from the inside out. He first apprenticed in a number of import auto shops, eventually rising through the ranks and opening his own facility. Grismer draws on his thirty-seven years of experience to expose how the industry really works. He provides answers on how to deal with a "lemon" while offering advice on how to make the best buy before purchasing your vehicle. Discover how the valuation and appraisal process works and how the history of your vehicle affects you and your money. Grismer's conversational style makes the information accessible while offering personal insight on the process of vehicle manufacturing and servicing. Even the most casual reader will be enlightened and entertained by the inner workings of the automobile manufacturing, sales, and service industry. But most importantly, this handy reference guide empowers the consumer to make well-informed decisions about vehicles.

material for career and technical education, secondary/post-secondary, and community college students and provides both rationales and step-by-step instructions for virtually every non-diagnosis NATEF task. Each section provides a comprehensive overview of a key topic area, with real-life problem scenarios that encourage students to develop connections between different skill and knowledge components. Customer service, safety, and math, science, and literary principles are demonstrated throughout the text to build student skill levels. Chapters are linked via cross-reference tools that support skill retention, critical thinking, and problem-solving. Students are regularly reminded that people skills are as important as technical skills in customer service fields.

This new edition of Bradt's Botswana remains the only full-blown, standalone guide to one of Africa's most popular and rewarding safari destinations. Acclaimed by tour operators and travel writers alike, this is the only guide to focus on the most popular tourist areas of Botswana: the Okavango Delta, Chobe National Park and the Northern Kalahari, and this new edition includes a new full-colour wildlife guide, backed up by detailed flora and fauna information for each safari area. Fully updated, from top lodges in the Okavango Delta to small guesthouses (including many new to this edition), also included are detailed maps, comprehensive GPS coordinates (invaluable to self-drivers), and coverage of Livingstone and the Victoria Falls, ideal as an add-on trip to a safari in Botswana. With this guide, explore one of the world's most stunning wildlife destinations, read up on superb safari lodges with excellent guiding, from traditional tented camps to those offering five-star luxury and top-class cuisine, and make the most of the excellent birding (almost 600 species identified). Also

included are details of how to arrange mobile safaris around the national parks and reserves with your own guide, often staying in private campsites; boat cruises on the Chobe River, where herds of elephant cross every evening; and when and how to view one of the great gatherings of zebra in Makgadikgadi National Park. Botswana's wilderness is pristine. The permanent waters of the Okavango Delta attract year-round wildlife, now including all the 'big five' - for the rhinos are back thanks to a successful re-introduction programme. Spreading out from the Delta, Botswana has tremendous variety, from the arid Kalahari to lush, well-watered forest glades and the broad Chobe River. And then there's Botswana's rich history, from the ancient rock paintings at Tsodilo, to Stone Age arrowheads on the Makgadikgadi Pans. Written and updated by experts, Bradt's Botswana is the definitive companion to discovering this enchanting destination.
