Lara Bailey isn't in Rocky Springs for the hot springs, the resort activities or the fabulous skiing. She has come to Colorado for one reason and one reason only: to find and get close to Marcus Colter, the eldest Colter brother. Unfortunately, trouble finds her in the form of Tate Colter rather than Marcus. The youngest Colter brother is arrogant, cocky, smart, and tenacious in his attempts to find out why she wants to find Marcus even though she's never met him. Lara isn't willing to divulge that information, and Tate is determined to uncover her motives. It makes Tate one hot, wickedly sexy, adorably dimpled, alpha male pain in her backside. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have ever experienced. But when deception is discovered and a betrayal takes place, can these two adversaries who are so much alike work together without letting the white-hot passion burning between them incinerate them both?

Includes One night with a billionaire: Billionaire unmasked, the prequel.

Down on her luck, nursing student and full-time waitress Kara Foster gets a massive blow to her already desperate financial situation that will surely find her living on the streets. Needing nothing less than a miracle to save her, Kara gets rescue from an unknown, unlikely and overwhelming source. Billionaire Simon Hudson makes her an offer that is impossible to refuse, but terrifying to accept from a man that she's never met. Will the handsome, alpha billionaire really be a solution to her problems, or will he end up being a major complication and a danger to her emotional sanity? Reclusive billionaire Simon Hudson would rather be behind a computer creating computer games than rubbing elbows with the elite and he knows exactly what he wants...until he meets Kara Foster. Something about Kara touches Simon in ways he's never experienced and definitely doesn't like. For over a year, Simon watches over Kara, but stubbornly refuses to admit his desire to possess her, not even to himself. But when she ends up in a situation that could very well be her destruction, Simon steps up to help her, not realizing that in saving Kara, he might very well be salvaging his own soul. The latest in the The Billionaire's Obsession series by New York Times Bestselling Author, J.S. Scott... She's an investigative journalist in trouble. He's a billionaire CEO who has sworn off women for the foreseeable future, but has the ability to save her. They're two people who belong together and never really recognize it until the unthinkable happens! I've known Chase Durand since childhood. He's drop-dead gorgeous, sophisticated, ridiculously wealthy, and wildly intelligent. Unfortunately, he's also my best friend's brother and completely unattainable for me. Always has been, even though I've had some kind of idiotic attraction to him for the last decade. I can't say that Chase and I are really...friends. We're more like friendly adversaries whenever we meet up as adults. Sure, he still treats me like an honorary sibling, just like his own little sister. Regrettably, I haven't seen him in that light since I graduated from college, and probably never will again, so I avoid him as often as possible. Until the day that I just can't ignore the way I feel anymore. Until the day he literally saved my life in a way I never would have believed possible if it hadn't personally happened to me. Until the day I realize that there's so much more to Chase Durand than the cocky, brilliant, unbelievably hot billionaire that people see on the surface. Until the day I see the pain he's always tried to hide from the rest of the world. After all that, we're much too close to go back to the way we used to be. He's healed my body and my psyche. I can't walk away from Chase until I unravel the enigmatic man and do the same for him, even if it costs me both my heart and my soul in the process... ***Author Note: This is a billionaire romance with a friends to lovers and best friend's brother trope. If you like protective hero romance and rescue romance with a strong heroine, this might be the book for you. I highly recommend starting with Hudson's story, California #1 in The Billionaire's Obsession series since Hudson, Jax, Cooper and Chase are all related. Happy Reading!***

When Harper's sister goes missing, she approaches an old flame for help--wondering if she might still harbor feelings for him--but finds herself falling for his twin brother instead.
