habits in order to change the course of your life. Everything that we do in life is as a result of what we have been taught, what we have experienced and what we expect from life. However, with all of these presuppositions or prerequisites, it's hardly surprising that people are dissatisfied with what they get back from life. The habits that are introduced in this book are deliberately simplified, so that anyone can achieve them. I have worked with people who have problems for a very long time and these steps have succeeded in making their lives more rewarding. You have a choice in the kind of
