learners who are learning Mandarin Chinese as a foreign language. The aim is to develop an ability to use the language effectively for purposes of practical communication. The course is based on the linked language skills of listening, reading, speaking and writing, and these are built on as learners progress through their studies. Cambridge IGCSE Chinese aims to offer insights into the culture and civilization of countries where Mandarin Chinese is spoken, encouraging positive attitudes towards language learning and towards speakers of foreign languages.

Theme-based learning is a way of teaching and learning, whereby many areas of the curriculum are connected together and integrated within a theme. For Chinese International exams, like IGCSE, IB, are evolving into Theme-based curriculum. Students develop the ability to communicate in the target language through the study of language, themes and texts. In this edition, we added more vocabulary and give the HSK classification, both Version 2009 and the latest Version 2021. Within each topic, the vocabulary are arranged by HSK V2021 levels. This will give teachers a guidance for difficulty level and allow students to set priority on the vocabulary they should know to read, write or both. Based on HSK (version 2009 and the latest version 2021), we edited a series of Chinese Vocabulary for those who are studying Chinese or preparing international examinations, such as IB, SAT, AP, IGCSE, GCSE Chinese. Combining our 26 years' experience in Teaching and editing our own materials, here is the "LIFE SAVING" book called by many students for their exams. The book give a quick revision for your coming exam! Thanks for your support for us creating better contents for you! It takes our years' painful effort to edit. Grab it!
