This first volume of her *Complete Works* contains her major spiritual writings, including two sets of retreat notes (*Heaven in Faith* and *Last Retreat*) and her famous prayer - *O My God, Trinity Whom I Adore*. "Originally published in 12 volumes between 1912 and 1954, the Oxford Translation of Aristotle is universally recognized as the standard English version of Aristotle. It is a valuable contribution to studies of Aristotle and is regularly referred to by scholars of all nationalities. Now Princeton University Press makes available the complete works in two volumes. The volumes contain the substance of the original Translation, revised by Jonathan Barnes in the light of recent research. Three of the original versions - Categories, On Interpretation, and Posterior Analytics - have been replaced by more modern translations. A new and enlarged selection of Fragments has been added. A generous index provides indispensable aid to the scholar."--Publisher's description.

Be Sure of Your Salvation No one can grow spiritually who lacks the assurance of his salvation. Feeling that you're a Christian or hoping that you're destined for Heaven will never give peace of mind that you're right with God. The Bible teaches that the person who has received Jesus Christ as Savior should know that he has: Assurance of salvation. "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name" (John 1:12). Forgiveness of Sin. "If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness" (1 John 1:9). Certainty of eternal life. "These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life" (1 John 5:13). Follow God's Guidebook The Bible is a living book written by a loving God. In it He provides basic principles, guidance and inspiration for living. Set aside a time to read the Bible each day. Start with reading at least one chapter from the Gospel of John at a sitting. Then read Acts and Romans before returning

To the other Gospels. Ask God to help you understand and obey what He teaches you. As you read, ask yourself these questions: What are the main truths in this chapter? What do I learn about God the Father, Jesus Christ, or the Holy Spirit? Is there an example for me to follow? A sin to avoid? A promise to claim? Then talk to God in prayer about what you have discovered. Praise Him for what you learn about Him. Confess sin revealed in your life. Bring Him your needs and the needs of others. Thank Him for His promises. Grow with Other Christians As a member of God's family, fellowship in a local church is important for your spiritual growth. Ask God to lead you to a church where you can learn from the Bible and share in worship and prayer and service. When considering a suitable church, look for one which teaches that the Bible is God's Word, our final authority, and that Jesus Christ is the Son of God, who died and rose again for our salvation. Make Christ Lord of Your Life Turn from sin. Jesus Christ is your new Master. He has freed you from slavery to your sin nature. You will still be tempted to sin, but now you have the supernatural power to resist it. Daily discover more of His power by asking God to cleanse you from sin and empower you with His Spirit. Victory over sinful thoughts and habits will not come automatically. Walk by faith and obedience, and you will learn how to please Him. Pray often. Prayer is your lifeline to God. Talk with God throughout the day. Take all your problems to Him. He is interested in everything you do. Don't let sin discourage and defeat you. If you sin, be quick to confess and claim Christ's blood-bought forgiveness. Share your faith. Share Christ with others. A vital Christian life is contagious. Serve Christ wholeheartedly. Look for opportunities to serve Him in your church and daily life. He can turn even the most ordinary tasks into ways to glorify Him.

The first of two volumes of the eagerly anticipated first complete edition of Auden's poems—including some that have never been published before. W. H. Auden (1907–1973) is one of the greatest poets of the twentieth century, and his reputation has only grown since his death. Published on the hundredth anniversary of the year in which he began to write poetry, this is the first of two volumes of the first complete edition of Auden's poems. Edited, introduced, and annotated by renowned Auden scholar Edward Mendelson, this definitive edition includes all the poems Auden wrote for publication, in their original texts, and all his later revised versions, as well as poems and songs he never published, some of them printed here for the first time. This volume traces the development of Auden's early career, and contains all the poems, including juvenilia, that he published or submitted for publication, from his first printed work, in 1927, at age twenty, through the poems he wrote during his first months in America, in 1939, when he was thirty-two. The book also includes poems that Auden wrote during his adult career with the expectation that he might publish them, but which he never did; song lyrics that he wrote to be set to music by Benjamin Britten, but which he never put into print; and verses that he wrote for magazines at schools where he was teaching. The main text presents the poems in their original published versions. The notes include the extensive revisions that he made to his poems over the course of his career, and provide explanations of obscure references. The second volume of this edition, *Poems, Volume 2: 1940–1973*, is also available.
