DARK DUETS is a collection of short stories written by pairs (or in one case a trio) of authors who had never written together before. I've never read most of these authors so I don't know how these stories compare with these authors usual fare. My overall rating for the book is a 4.

OUR DARK DUET starts off introspective, catching up with Kate and August in their new roles and realities since the end of THIS SAVAGE SONG. Then a new monster, one that Kate discovers in the city of Prosperity, is introduced - and all hell breaks loose. In positive ways that will keep you reading, of course.

vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him.

A New York Times bestseller The bestselling sequel—and conclusion—to Victoria Schwab’s instant #1 New York Times bestseller This Savage Song. Kate Harker is a girl who isn’t afraid of the dark. She’s a girl who hunts monsters. And she’s good at it. August Flynn is a monster who can never be human. No matter how much he once yearned for it. He has a part to play. And he will play it, no matter the cost. Nearly six months after Kate and August were first thrown together, the war between the monsters and the humans is a terrifying reality. In Verity, August has become the leader he never wished to be, and in Prosperity, Kate has become the ruthless hunter she knew she could be. When a new monster

emerges from the shadows—one who feeds on chaos and brings out its victim’s inner demons—it lures Kate home, where she finds more than she bargained for. She’ll face a monster she thought she killed, a boy she thought she knew, and a demon all her own. A gorgeously written dark fantasy from New York Times bestselling author Victoria Schwab, and one to hand to fans of Holly Black, Laini Taylor, and Maggie Stiefvater. “Explosive.” Brightly

The anticipated sequel to the New York Times Bestseller *Captive in the Dark* by CJ Roberts: *Seduced in the Dark* What is the price of redemption? Rescued from sexual slavery by a mysterious Pakistani officer, Caleb carries the weight of a debt that must be paid in blood. The road has been long and fraught with uncertainty, but for Caleb and Livvie, it's all coming to an end. Can he surrender the woman he loves for the sake of vengeance? Or will he make the ultimate sacrifice?

BOOK 3 OF THE DARK DUET I'm writing this because you begged. You know how I love the begging. In fact, you probably know too many things and know them far too well. Who am I? Well, that's what I'm trying to figure out. I was a whore in my youth, a killer since my

adolescence, and a monster as a man. I am the man who kidnapped Livvie. I am the man who held her in a dark room for weeks. But, most importantly, I am the man she loves. She loves me. It's quite sick, isn't it? Of course, there's more to our story than can be surmised in a few short sentences, but I'm at a loss for justifying my behavior back then. I assume if you're reading this, I don't need to make those justifications. You've already made your own. You're reading this because you want to know about the rest of the story. You want to know what happened that warm summer night in September of 2010, the night I met Livvie at The Paseo. It was the night my life changed all over again. It didn't happen exactly as Livvie said. She's been very kind to me in the retelling of our story. The truth is far more complicated.

Ashara Konrad, rock music photojournalist and vampire, has a secret. One she hasn't spoken of, in over a century. Now, that secret has come back from the grave, hell-bent on destroying the most promising musicians of the age, in service to an old voodoo curse. If Ashara hadn't seen her vampire twin, Zariaz, dismembered and scattered after going on a killing spree, targeting musicians a century earlier, she would think Zariaz was behind the slaughter, looking to fulfill her 1000 Musician curse. But it takes more than dismemberment to keep a bad vampire down. And this time, Zariaz is looking for revenge against the twin who betrayed her and the musician she's in love with. Will Ashara be able to keep her new love safe from her deadliest secret? Or will he become the latest musician to feed Zariaz's curse? *Dark Duet* is a haunting and lyrical vampire romance, set in the

NOT READ IF MALE/MALE BOTHERS YOU! YOU ARE WARNED Synopsis:

The character "Kid" appears in both *Captive in the Dark* and *Seduced in the Dark*. This novella takes place in Mexico and follows Kid after he and his girlfriend, Nancy, are taken hostage by a group of men led by Caleb. Unbeknownst to Kid or Nancy, they are taken to the mansion of Felipe Villanueva, an eccentric crime boss with a taste for the taboo. Wrongfully accused by Nancy of the attempted rape and subsequent assault of Caleb's escaped captive, "Kitten", Kid is tortured by his captors. We join Kid in the dungeon, where he is about to meet Felipe and his companion Celia for the first time

fantasy from acclaimed author Victoria Schwab, a young woman and a young man must choose whether to become heroes or villains—and friends or enemies—with the future of their home at stake. The first of two books, *This Savage Song* is a must-have for fans of Holly Black, Maggie Stiefvater, and Laini Taylor. Kate Harker and August Flynn are the heirs to a divided city—a city where the violence has begun to breed actual monsters. All Kate wants is to be as ruthless as her father, who lets the monsters roam free and makes the humans pay for his protection. All August wants is to be human, as good-hearted as his own father, to play a bigger role in protecting the innocent—but he's one of the monsters. One who can steal a soul with a simple strain of music. When the chance arises to keep an eye on Kate, who's just been kicked out of her sixth boarding school and returned home,

August jumps at it. But Kate discovers August's secret, and after a failed assassination attempt the pair must flee for their lives. In *This Savage Song*, Victoria Schwab creates a gritty, seething metropolis, one worthy of being compared to Gotham and to the four versions of London in her critically acclaimed fantasy for adults, *A Darker Shade of Magic*. Her heroes will face monsters intent on destroying them from every side—including the monsters within.
