Then a secret is something very nice. But if you have a secret that hurts you . . . a secret that makes you sad or scares you . . . that's when you would feel much better if you talk about it to somebody you trust. It might be very hard for you to tell such a secret to Mom, or to Dad, or to your teacher. But it's best for you to be brave and talk about it. When you do, the problem can be made to go away. Do you have a secret?

#### Do You Have a Secret? (Let's Talk about It!): Amazon.co.uk ...

Every child has secrets, and many secrets are fun to keep, for instance, a surprise birthday gift for Mom, or a secret handshake with a young friend. But sometimes, children have secrets that make them feel bad, and these secrets are best shared with their parents, or with some trusted older person.

#### Do You Have a Secret? by Jennifer Moore-Mallinos

do you have a secret? Children spend much of their time away from the security of their home, and as a result, we are not always able to be with them to ensure their safety. We can, however, introduce knowledge and encourage communication so that our children feel comfortable enough to disclose their secrets, whether they are good or bad.

#### Do You Have a Secret? (Let's Talk About It!): Moore ...

Where do you draw the line? We could be a turnkey totalitarian state or we can have a state where there is no fear of being scrutinized and excessive self-censorship, where companies and government share info when there is a cyber threat and cannot be sued for inappropriate sharing.

# Do You Have a Secret?

How to Do It To the World, I'm a Straight, Married Man. But I Have a Secret I Have No Idea What to Do With.

Discusses the difference between secrets that are fun to keep and those that make people unhappy, and encourages youngsters to confide in their parents or another trusted adult such painful matters as bullying or improper touching.

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

I Have a Secret - Do I Keep It? is a children's book that gives children an easy way to discern whether or not keeping a secret is safe or if it is harmful. Even the smallest child will be able to learn this simple litmus test. It is told in rhyme, in a catchy Dr. Suess-ish rhythm, but it tells a very real story from one child's perspective - because a child really only knows one perspective - their own. Read this to your children or your classroom or your daycare and lets start empowering children at a young age. Review I loved this book - and the rhyming. It is full of memorable rhymes that kids will remember. It makes it easy for kids to decide if they're being bullied and want some help or if they should keep the fun secret about grandma's present. "Secret" is a tough word because it is definitely used two ways in this society - and one way it is used victimizes kids. This book aims to end that - and it is well worth sharing with the kids in your life!

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life—transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern—day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

The finale to the New York Times bestselling Secret Series! I always feared this day would come. A secret is meant to stay secret, after all. And now we've come to this: the fifth and final (I swear!) book in my saga of secrets. A class trip to the local natural history museum turns dangerous, or perhaps deadly—and I don't mean in the bored—to-death way—when Cass accidentally breaks a finger off a priceless mummy. Forced to atone for this "crime" of vandalism, Cass and her friends Max—Ernest and Yo—Yoji go to work for the mummy exhibit's curator, only to be blamed when tragedy strikes. To clear their names—and, they hope, to discover the Secret—the trio must travel deep into a land of majestic pyramids, dusty tombs, mysterious hieroglyphs, and the walking dead. Egypt? Or somewhere much stranger . . . In the midst of it all, the Secret still lurks. You're out there, reading and talking about it, and now my life—and chocolate supply—is in the greatest danger yet. So please, with a cherry on top, I'm begging you: you have to stop this!

"The secret is out: Mary Jane Clark is one of the most exciting novelists in America today. Do You Want to Know a Secret? is an unabashed, edge-of-the-seat, page-turning stunner." - Dan Rather Secrets can really kill your career. Beautiful New York TV anchorwoman Eliza Blake has a past to hide. Her popular co-anchor has a scandal he'd die to keep secret. The next President's pretty wife wants desperately to avoid indecent exposure. A parish priest knows a terrible truth. And a killer has a secret agenda that reaches from New York City's streets to the White House-- it includes the time and place where Eliza Blake will have to die...

"If you've ever wondered why we keep secrets and what motivates us to spill them, look no further. Michael Slepian has spent the past decade studying the psychology of secrets, and is ready to reveal his findings to the world."—Adam Grant, #1 New York Times bestselling author of Think Again "The Secret Life of Secrets gracefully blends engaging stories with compelling science."—Sonja Lyubomirsky, University of California professor and author of The How of Happiness Think of a secret that you're keeping from others. It shouldn't take long; behavioral scientist Michael Slepian finds that, on average, we are keeping as many as thirteen secrets at any given time. His research involving more than 50,000 participants from around the world shows that the most common secrets include lies we've told, ambitions, addictions, mental health challenges, hidden relationships, and financial struggles. Our secrets can weigh heavily upon us. Yet the burden of secrecy, Slepian argues, rarely stems from the work it takes to keep a secret hidden. Rather, the weight of our secrets comes from carrying them alone, without the support of others. Whether we are motivated to protect our reputation, a relationship, a loved one's feelings, or some personal or professional goal, one thing is clear: Holding back some part of our inner world is often lonely and isolating. But The Secret Life of Secrets shows you that it doesn't have to be. Filled with fresh insight into one of the most universal—yet least understood—aspects of human behavior, The Secret Life of Secrets sheds a fascinating new light on questions like: At what age do children develop the cognitive capacity for secrecy? Do all secrets come with the same mental load? How can we reconcile our secrets with our human desires to relate, connect, and be known? When should we confess our secrets? Who makes for the ideal confidant? And can keeping certain types of secrets actually enhance our well-being? Drawing on over a decade of original research. The Secret Life of Secrets reveals t

Five high school classmates hold secrets close to their hearts--hidden talents, unspoken feelings, and buried pain. As they collide with each other on the path to growing up, they might jostle some of those secrets free. From Yoru Sumino, acclaimed author of I Want to Eat Your Pancreas and I Had That Same Dream Again comes a gentle, intriguing tale about love, life, and the things we leave unsaid.

National Book Award finalist Julie Anne Peters delivers a moving, modern classic love story with a coming out theme -- now with a fresh, redesigned cover! With a steady boyfriend, the position of Student Council President, and a chance to go to an Ivy League college, high school life is just fine for Holland Jaeger. At least, it seems to be. But when Cece Goddard comes to school, everything changes. Cece and Holland have undeniable feelings for each other, but how will others react to their developing relationship? This moving love story between two girls is for fans of Nancy Garden's classic young adult coming out novel, Annie on My Mind. With her characteristic humor and breezy style, Peters has captured the compelling emotions of young love.

After the worst day of her life, Emma Corrigan spills her darkest secrets to a stranger on an airplane, but when he re-emerges in her life, she will have to face the things she said to him, and her growing feelings for him. Reprint.
