Illinois 2021 Rules of the Road handbook, drive safe!

Driving is a privilege and not a right. Drivers must drive responsibly and safely, obey traffic laws, and never drink and drive. Finally, make sure that you and your passengers are properly buckled up - it's the law! Today's vehicles are loaded with technology that was unheard of even a decade ago. Systems that warn when you are drifting from your lane, assist you in parallel parking, automatically brake in emergency situations and provide 360 degrees of vision around the vehicle via a camera are becoming standard, even on moderately priced vehicles. As remarkable as these leaps in automotive technology are, the truth is that the most important safety feature in any vehicle remains you as the driver. Therefore, it is to your benefit to continue improving and expanding your knowledge of traffic laws and safe driving practices. Driving is a privilege. Once you have been issued a driver's license, you have the responsibility to continually demonstrate the skill and

driver education has not advanced. It continues to use the same outdated formula adopted in 1949 of five hours of classroom instruction for every one hour of in-vehicle training. The so-called stakeholders in driver education have a vested interest in maintaining the status quo. As long as the current standards and same agencies continue to rule driver education, you can expect driver education to continue to fail. Mr. Barrett shows how the lack of accountability and the use of a time-based standards and a public school format that emphasizes classroom over in-vehicle training creates a system in which new drivers know just enough to be dangerous. Included in this book are the "7 Deadly Mistakes Parents Make When Choosing Driver Education for their Teen" and how parents can avoid these tragic mistakes. In addition, this book contains resources, options for a mastery-based approach, and opportunities for individuals and organizations who want to make a difference in producing safer drivers.
