Five of these groups—the Mohawk, Oneida, Onondaga, Cayuga, and Seneca—lived in the area between the Hudson and Genesee rivers, including the Mohawk River valley. These groups were related, but each lived in its own territory and ran its own affairs. Europeans would later call these five groups the “Iroquois.” Several groups of Algonquian-

The physical loss of my precious son was devastating to me. But from the very beginning, I knew in my heart someone I loved so much could not possibly be gone forever. I knew he couldn't be far away. Our family was just too close and connected. I opened my heart to what was happening around me. I never doubted the signs or dreams I received, no matter what others thought or said - I knew it was Mikey. And it is! He is alive as ever just in a different form and dimension. Always remember that we will see our loved ones again. The heavenly dimensions are truly all around us. They will continue to help us on our journey of life until we meet again. My mission in going public with Mikey's story and messages about the afterlife is to give hope, peace, and comfort to others. This book tells about the importance of love and being positive in our ways while we are on earth. We need to embrace and believe in the loving guidance that is unseen.

'What a life. Tony Fernandes has accomplished amazing things - and who's to say what he can go on to achieve?' Sir Richard Branson The inspiring story of business hero and Apprentice Asia star Tony Fernandes As a boy, Tony Fernandes wanted to be a pilot, a footballer or a racing driver. By 2011 he'd gone one better: founding his own airline and his own formula one team, and becoming Chairman of Queens Park Rangers, helping them reach the Premier League again after a 15-year absence from the top flight. Flying High is the memoir of an exceptional business leader; the man who created Asia's first budget airline, democratizing air travel in Asia and building AirAsia into a multi-billion-dollar company in the process. Published as Tony returns as the face of the second series of Apprentice Asia, this inspiring personal story will be a major global publishing event. Tony Fernandes studied at Epsom College, UK, and the London School of Accountancy. He worked for Virgin Communications and Warner Music before acquiring AirAsia and relaunching it as Asia's first low-cost carrier in 2001/2. He is currently Group CEO of AirAsia, Chairman of QPR football club and owner of the Caterham F1 team. Tony has been awarded a CBE, titled twice by the King of Malaysia and awarded the Legion d'Honneur by the French government. He has also received awards from major business media outlets including the International Herald Tribune, Business Times, Business Week, Fast Company and Forbes.
