Of course, 4K TV image quality for real connoisseurs is the main dream, but at the moment the pricing policy of these TV stops buyers. Initially planned joint development of Roku and TCL (the American TV producer) in the creation of the first 4K Roku TV, but that did not happen. Last information. Roku announced a new 4K UHD Roku TV called «Insignia» with an excellent price.

From the 1920s to the 1950s, radio was the entertainment source for millions. Two of the primary themes of radio serials were mysteries and adventure. This is a detailed analysis of the important programs in these genres--Jack Armstrong, The Green Hornet, Sergeant Preston, Tom Mix, and more. Each entry includes type of series, broadcast days, air dates, sponsors, network, cast and production credits, and a comprehensive essay. When, as often

happened, the series landed in other media, that is examined as well.

Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - June)

An unforgettable novel about finding a lost piece of yourself in someone else. Khaled Hosseini, the #1 New York Times–bestselling author of *The Kite Runner* and *A Thousand Splendid Suns*, has written a new novel about how we love, how we take care of one another, and how the choices we make resonate through generations. In this tale revolving around not just parents and children but brothers and sisters, cousins and caretakers, Hosseini explores the many ways in which families nurture, wound, betray, honor, and sacrifice for one another; and how often we are surprised by the actions of those closest to us, at the times that matter most. Following its characters and the ramifications of their lives and choices and loves around the globe—from Kabul to Paris to San Francisco to the Greek island of Tinos—the story expands gradually outward, becoming more emotionally complex and powerful with each turning page.
