The Journal of Strength and Conditioning Research is a refereed research publication that covers all aspects of strength and conditioning. The journal has a specific focus on providing members and readers with the most up-to-date information. Each issue of the journal includes a selection of Original Research from the Field, Case Studies, From the Field, Exercise Highlights, Interviews and Reviews of the Literature, on a wide variety of strength and conditioning topics.

The Journal of Strength and Conditioning Research is the official journal of the National Strength and Conditioning Association. Published quarterly, it delivers original research that addresses...
