“ Build a better brew by mastering 10 manual methods, from French Press to Chemex, with this comprehensive guide. ” —Imbibe Magazine Named a top food & drink book of 2017 by Food Network, Wired, Sprudge, and Booklist This comprehensive but accessible handbook is for the average coffee lover who wants to make better coffee at home. Unlike other coffee books, this one focuses exclusively on coffee—not espresso—and explores multiple pour-over, immersion, and cold-brew techniques on 10 different devices. Thanks to a small but growing number of dedicated farmers, importers, roasters, and baristas, coffee quality is at an all-time high. But for nonprofessionals, achieving café quality at home can seem out of reach. With dozens of equipment options, conflicting information on how to use that equipment, and an industry language that, at times, doesn ’ t seem made for the rest of us, it can be difficult to know where to begin. *Craft Coffee: A Manual*, written by a coffee enthusiast for coffee enthusiasts, provides all the information readers need to discover what they like in a cup of specialty coffee—and how to replicate the perfect cup day after day. From the science of extraction and brewing techniques to choosing equipment and deciphering coffee bags, *Craft Coffee* focuses on the issues—cost, time, taste, and accessibility—that home coffee brewers negotiate and shows that no matter where you are in your coffee journey, you can make a great cup at home. “ Engaging and fun . . . I really can ’ t recommend *Craft Coffee: A Manual* enough. If you ’ re even mildly curious about brewing coffee at home, it ’ s absolutely worth a read. ” —BuzzFeed

When Princess Elizabeth became Queen on 6 February 1952, following the death of her father, George VI, few could have anticipated that she would go on to become Britain's longest-reigning monarch; a figure revered around the world for her wisdom, dedication and sense of duty. Seventy years on, and Her Majesty's Platinum Jubilee will see the nation come together to celebrate a truly historic landmark. Over a special, four-day bank holiday weekend in early June 2022, millions of well-wishers from the UK, the Commonwealth and beyond will take part in a spectacular mixture of traditional pageantry, technological displays and public events. The highlight of the weekend's celebrations will be the Platinum Jubilee Pageant, which will see 3,000 performers and participants from across the UK and the Commonwealth parade past Buckingham Palace and up The Mall in front of vast crowds and the world's media. Accompanying this unique and joyous occasion, *Her Majesty The Queen: The Official Platinum Jubilee Pageant Commemorative Album* charts the highs and lows of The Queen's 70-year reign and explores how Her Majesty has provided the country and Commonwealth with a lifetime of leadership; from her steadfast presence during the Second World War through to her unifying influence at a current time of political, economic and social turbulence. Featuring

more than 250 photographs from throughout The Queen's life, this fully illustrated hardback publication tells the story of Her Majesty's reign in beautiful detail, presenting the reader with a unique window into her decades of service, and one of the most extraordinary lives of this or any other era.

From 2002 to 2011, coffee-machine manufacturer Keurig had grown from a privately held company with just over \$20 million in revenues to become a wholly owned subsidiary of Green Mountain Coffee Roasters, a publicly traded company with net revenues of \$1.36 billion. This case examines the rapid rise of Keurig.

Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks, or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

Pork dorks. Craftsters. American Girl fans. Despite their different tastes, these eclectic diehards have a lot in common: they're obsessed about a specific brand, product, or category. They pursue their passions with fervor, and they're extremely knowledgeable about the things they love. They aren't average consumers—they're superconsumers. Although small in number, superconsumers can have an outsized impact on a company's bottom line. Representing 10% of total consumers, they can drive between 30% to 70% of sales, and they're usually willing to spend considerably more than the average consumer. And because they're so engaged and passionate, they can offer invaluable advice to managers looking to improve their products, change their business models, energize their cultures, and attract new customers. In *Superconsumers*, growth strategy expert Eddie Yoon lays out a simple but extremely effective framework that has helped companies of all types and sizes achieve more sustainable growth: he'll show you how to find, listen to, and engage with your most passionate and profitable consumers, and then tailor your decisions to meet their wants and needs. Along the way, he'll let you into the minds and homes of superconsumers of all kinds, revealing what makes them tick and why they're willing to spend so much more than other consumers. Rich with data and case studies of companies that have implemented superconsumer strategies with great success, *Superconsumers* is a fun, practical, and inspiring guide for anyone interested in making their best customers even better.

*Creating iPhone Apps with Cocoa Touch: The Mini Missing Manual* walks you through developing your first iPhone App and introduces you to your programming environments and tools: Cocoa Touch, Interface Builder, Xcode, and the Objective-C programming language. If you're a Java or C developer, this eBook is your fast track to App development. This eBook is adapted from parts of *iPhone App Development: The Missing Manual*.

The ultimate biography charting the evolution of Beyonce, once a rising talent from Texas who dominated the world of R&B/Pop music and become one of the most successful and indomitable solo artists in the world"
