Our current economic climate has led many people to start their own businesses—by choice, necessity, or a little of each. And since everyone wants to limit their personal liability when starting a business, LLCs have become very popular. This book simplifies LLC concepts and helps the reader decide whether to form an LLC or some other type of business entity.

This bestselling guide has shown over 100,000 California businesses how to incorporate. It provides step-by-step instructions and all the necessary forms, including Articles, Bylaws, Minutes, and Stock Certificates. It contains up-to-date corporate tax information including how to elect S corporation tax status.

Print version of the book includes free access to the app (web, iOS, and Android), which offers interactive Q&A review plus the entire text of the print book! Please note the app is included with print purchase only. The only book designed specifically to prepare students for the Adult-Gerontology Acute Care Nurse Practitioner (AG-ACNP) exams, this unparalleled review details the step-by-step journey from classroom to patient room and beyond. This book begins with proven test-taking strategies for students and provides an overview of common pitfalls for exam takers. It features question styles and content material from both the American Association of Critical-Care Nurses (AACN®) and American Nurses Credentialing Center (ANCC) exams, providing an overview of the certification exams written specifically by the certification organizations themselves. With more than 630 unique questions, this review contains completely up-to-date and evidence-based exam preparation. Practice questions are organized into body system review, special populations, and legal/ethical issues, and culminate in a 175-question practice test that represents the length, variety, and complexity of board exam questions. All questions' answers have accompanying rationales based on clinical practice guidelines. Completely unique to this publication, the last section of Adult-Gerontology Acute Care Nurse Practitioner Q&A Review guides one through the next steps after the exam—how to progress into practice with your new certification. KEY FEATURES Over 630 practice questions with answers and rationales The only current book publication designed specifically to prepare students for the AG-ACNP exams Contains the most current information and practice using published guidelines Exam tips and perils/pitfalls to avoid in test-taking Includes free access to interactive ebook and Q&A app—track and sync your progress on up to three devices!
