A novel about two brothers. The story is told by one of them, Jonas, an 18-year old boy. Throughout his teenage years he has been trying to get an image of Paul, the brother he never met, a brother who died at the age of 16, the year before Jonas himself was born. The story is told like a crime story, with loose ends, clues and cliff hangers. In his search for his brother, Jonas soon finds out that Paul had an intense love affair with another boy during the last year of his life.

With the passing of seasons, a baby fox learns from his parents to hunt, bury food, cover his tracks and run very fast. Illustrated with impressionistic-style paintings, this book

reminds the reader that growing up requires patience and parental guidance.

A little boy admires his big brother and aspires to be like him when he is older.

Una obsesión por los baños, una esperanza de infidelidad o un suicidio en el metro son los puntos de partida de estos relatos de humor negro, llenos de sorpresas y subversiones memorables.

Olivia está harta del pesado de su hermano Luis. Incluso está dispuesta a cambiarlo por otro chico cualquiera. Claro, que eso parece imposible, ¿verdad? Y sin embargo, un día,

inesperadamente, se produce el cambio. Ahora, en el lugar de Luis está Oscar, que es mucho más obediente y educado. ¿Qué ha sucedido?, y sobre todo, ¿qué va a pasar ahora?

My Brother is Special, My Brother Has Autism tells the story of a little girl's wish of having a baby brother. It covers the anticipation a big sibling feels as she prepares for her new role in the family. My Brother is Special, My Brother Has Autism highlights the journey of a family as they come to realize that their long awaited little boy is changing from the happy toddler they knew into an introverted less verbal boy. This story, as seen through the eyes of a sibling, expresses the confusion and pain a family feels when a diagnosis of autism is made. The story also highlights the beauty of

accepting someone, even though they may be different, and realizing that, sometimes, a dream doesn't end, it just needs to be adjusted. A diagnosis of autism impacts all family members. Adults are able to speak with professionals, explore the internet, and speak with others in similar situations. Young children have less options. It is frightening for them to see the adults in their lives in distress with little understanding of the reason. This book was written for the children impacted by the diagnosis of someone in their family. It is the hope of the author that this book assists parents, teachers, and other adults, in helping children to cope in these situations.
