Publishers are removing things from new Bibles! Publishers of modern Bible versions have been removing words, phrases, and even whole verses, but their readers are often unaware of it. Few people know the Bible well enough to notice when something has been taken out. But the results are hard to believe. The removal of one tiny word turns Jesus into a liar. Callers into Christian talk shows have even used this to say that it 's okay for a Christian to lie. After all, they say, Jesus did it. A verse that 's completely missing from some of the most popular Bibles available today completely removes one of the basic doctrines

found in every evangelical church. When David Daniels shows this one to people they just stand with their mouths open and say, “ I can ’ t believe it! ” In another case, Jesus ’ own words are removed, taking out a famous phrase in which Jesus explains why He came to earth. People react with: “ They took out Jesus words! How can they do that? ” This information has been right under our noses for years, but no one has ever taken the time to cull through this many Bible versions and find the missing parts. Author David Daniels did the research and now releases his results for the Christian world to see what is really missing. How about your Bible? Is it on the list of Bibles with pieces taken out? You might be surprised when you look at what ’ s missing.

Understand the mystery and history of the King James Bible, letter by letter. This guide is two books in one and one of a kind. Discover what translators and past generations knew, that is, how to find the meaning of each Bible word, inside the English Bible itself. See how God-set alphabet building-blocks build a word's meaning, letter by letter, automatically. This book is the first and only documented history of the words of the Holy Bible. Journey around the world and see that only the King James Bible matches the pure scriptures preserved to "all generations" and "to all nations." Watch in horror as the destroyer, through the NIV, TNIV, NKJV, NASB, HCSB, and ESV, silence the utterances of the Holy Ghost.

ever, view the authors who brewed the words in corrupt new bible versions, such as the TNIV, NIV, NKJV, ESV, NASB, and HCSB. College president Dr. Norris Belcher said, "This book takes you to the head of the stream, where you will see the men, standing with sticks in hand, stirring up the mud to cloud the pure water of God's word, the King James Bible." This book will bring Greek and Hebrew study out of the closet for the first time. Tumbling out come the starving skeletons of the authors of Greek and Hebrew study tools, lexicons and editions, the sordid sources from which new versions, such as the NIV, TNIV, NKJV, ESV, NASB, and HCSB take their corrupt words. These are the very same study 'aids' which kill a sermon or Bible study when used to 'define' a word in the Holy Bible. Lexicon and Bible dictionary authors dug down into the depths of pagan lore, then ransacked the English dictionary to find a match which could burn the Bible word-by-

Bible, Volume I, now in its third printing. Many readers of this volume have desired a reprint of this powerful expose of the multitude of errors which are embedded in the modern day versions. It is for this reason that this low-priced paperback is being produced, that the defenders of the inerrancy of the Scriptures may have an affordable book to give away.

Did you ever want to really get away from it all? To leave behind work, family, friends all the people and things you are so familiar with? To put a few essentials in a backpack, and just walk through places you've never walked before, as Heinlein would say, a stranger in a strange land? To get some experience of how and where other people live? Did you really? Neither did I. And yet, in the summer of 2007, that's exactly what I found myself doing. I struggled to take a walk I had imagined,

and learned, time and again, to let go and accept the ride I was intended to take. I had to learn to let myself be led instead of leading. To see instead of watching. To listen instead of hearing. In words and pictures, this book retraces that journey.

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who

discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.
