My Sweet Degradation is a collection of darkly erotic stories exploring the taboo yet enticing theme of control and surrender. Naughty schoolgirls are punished and shown the error of their ways, innocent young ladies are obliged to submit to secret desires, and the shy and inexperienced are encouraged to push the boundaries of what they believe to be acceptable. Each tale proudly adheres to the Chimera tradition of offering the most evocative of 'damsel in distress' scenarios - exploring the exhilarating theme of domination and submission - yet in everyday, familiar settings: a headmaster's study, a stable, a hotel room, a hospital... If you have a passion for erotic fiction with imaginative style; for stories that are told in a colourfully expressive manner without succumbing to overly poetic prose, then you are sure to find yourself transported as you turn the pages of My Sweet Degradation.

"It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is

the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]

War has been declared and demon possessed Queen Euphoria has struck the first blow against the Territories. Little does she know, Da'Lynn a dark elf possessed by an evil herself has command of the elf army and is moving in to defend the land. Kara, realizing the trouble brewing, seeks out her non human friends, hoping to sort out the trouble ahead. But will Hambone, Snow, Ra'na, and the wizard Ynob be enough to stop the ensuing apocalypse?

This book, specially prepared for soil scientists and engineers, offers comprehensive coverage of basic soil concepts, systematics, mapping and examination procedures for soils. The Manual is universally useful and is the primary reference on principles and technical detail for local, State and Federal contributions to
