A guide to strategic management. It seeks to respond to the demands of today's rapidly changing and unpredictable marketplace that students will face when they enter the business world. The concepts-only text is designed to engage students and provide a solid treatment of traditional topics in strategic management, as well as contemporary topics such as entrepreneurship, knowledge management, and e-commerce and Internet strategies. Numerous applications from business practice plus sidebars (about six in each chapter) illustrate key concepts, and chapter-opening vignettes offer examples of what can go wrong.
