To win in business requires a winning business plan. To write a winning business plan requires reading Garrett Sutton ' s dynamic book on the topic. Writing Winning Business Plans provides the insights and the direction on how to do it well and do it right. Rich Dad/Poor Dad author Robert Kiyosaki says, " The first step in business is a great business plan. It must be a page turner that hooks and holds a potential investor. Garrett Sutton ' s Writing Winning Business Plans is THE book for key strategies on preparing winning plans for both business and real estate ventures. Crisply written and featuring real life illustrative stories, Writing Winning Business Plans discusses all the key elements for a successful plan. Topics include focusing your business vision, understanding your financials and analyzing your competition. Also covered are how to really use your business plan as a tool and how to attract funding for your new or existing businesses. As business plan competitions become more popular around the world Writing Winning Business Plans also discusses how to enter and how to win these ever more lucrative contests. In addition, how to quickly interest a potential investor, also known as the elevator pitch, is explained. And, as opportunities arise around the world, how to present your plan in various countries is explored. Writing Winning Business Plans is the complete compendium for this essential business rite of passage – preparing a winning plan.

One hundred and fourteen authors and illustrators of children's books share the process of researching, writing, and publishing books, discuss what their inspirations are, and recount the best and worst advice they ever received.

This volume offers a practical guide to leading a team to greatness no matter who you are.

In difficult times, debt can be a matter of life and death, happiness and despair. Controlling your debt can bring order and calm. Mastering debt can bring wealth and success. As bestselling Rich Dad/Poor Dad author Robert Kiyosaki says, " Good debt makes you rich and bad debt makes you poor. " The ABCs of Getting Out of Debt provides the necessary knowledge to navigate through a very challenging credit environment. A Rich Dad ' s Advisor and best selling author of numerous business books, Garrett Sutton, Esq. clearly writes on the key strategies readers must follow to get out of debt. Unlike other superficial offerings, Sutton explores the psychology and health effects of debt. From there, the reader learns how to beat the lenders at their own game, and how to understand and repair your own credit. Using real life illustrative stories, Sutton shares how to deal with debt collectors, avoid credit scams, and win with good credit. " The reason Garrett Sutton ' s book is so important is that like it or not, debt is a powerful force in our world today. The financially intelligent are using debt to enrich themselves while the financially uneducated are using debt to destroy their lives. " - Robert Kiyosaki The times call for a book that offers hope and education on mastering credit and getting out of debt.

This book will teach you how to: • Achieve wealth and cash flow through real estate • Find property with real potential • Show you how to unlock the myths that are holding you back • Negotiating the deal based on the numbers • Evaluate property and purchase price • Increase your income through proven property management tools

The ABCs of Proposal Writing and Conducting Academic Research in Applied Linguistics has been designed to meet the needs of students attending graduate programs (MA & PhD) who do not have enough experience in writing theses, dissertations, papers, and articles. The main incentive behind preparing this book, despite availability of different textbooks on the local and international markets, was to compensate for lack of a comprehensive and learner-friendly textbook and help those thesis/dissertation writers who want to manage the thesis/dissertation writing process effectively. This book provides novice researchers, especially in the field of applied linguistics, with a general picture of conducting academic studies, their contents, and forms then elaborates on details of related issues.This book with its clear diction and thorough information may be used as a textbook for courses like Research Methods, Seminar, and Advanced Writing in graduate programs of applied linguistics.
