Kathleen Stassen Berger's The Developing Person Through the Life Span is a perennial bestseller instructors depend upon for an authoritative portrait of the field. Enhanced with carefully crafted learning tools, its warm narrative style and emphasis on diverse lives and universal themes that speak directly to students. With this new edition, that tradition is brought forward in a captivating new way.Cutting-edge research, electronic tools, and comprehensive insight combine to make The Developing Person Through the Life Span, Seventh Edition, the text that instructors need. With this edition, the ideal lifespan text is better than ever.

Kathleen Berger ' s acclaimed survey of developmental psychology across the life span is always up to date, always inclusive of cultures from every corner of the globe, and always compelling in the way it shows students the everyday relevance of field ' s theories, ideas, and discoveries. With its new edition, the text becomes a more deeply integrated text/media resource than ever, with the book and its dedicated version of LaunchPad combining seamlessly to enhance the learning experience. But driving that experience, as always, is the clear, engaging voice of Kathleen Berger, revealing the connections between the study of development across all stages of life and lives that students actually live.

The new edition of The Developing Person Through the Lifespan combines theory and the most up-to-date research with practical illustration in order to engage readers in the study of development. It addresses the fundamental issues from a chronological point of view, and covers the entirety of the lifespan (not just infancy or adolescence). The book's enhanced pedagogy works alongside the author's lively narrative voice to ensure that this edition remains as user-friendly, if not more so, than its predecessors.

Kathleen Berger ' s acclaimed survey of developmental psychology across the life span is always up to date, always inclusive of cultures from every corner of the globe, and always compelling in the way it shows students the everyday relevance of field ' s theories, ideas, and discoveries. With its new edition, the text becomes a more deeply integrated text/media resource than ever, with the book and its dedicated version of LaunchPad combining seamlessly to enhance the learning experience. But driving that experience, as always, is the clear, engaging voice of Kathleen Berger, revealing the connections between the study of development across all stages of life and the lives that students actually live. The book can also be purchased with the breakthrough online resource, LaunchPad, which offers innovative media content, curated and organised for easy assignability. LaunchPad's intuitive interface presents quizzing, flashcards, animations and much more to make learning actively engaging.

For every chapter, the Study Guide will include a "Preview" and "At A Glance" sections (both provide an overview of and objectives for the chapter). Each major topic includes a progress test, comprised of multiple-choice, matching, and/or true/false questions. The Guide also contains "Graphic Organizers," which encourage students to complete graphs, charts, and flow diagrams that ultimately provide a visual synopsis of text material. End-of-chapter material includes "Something To Think About" sections, which contain thought provoking questions designed to encourage critical thinking and application of the material.

With Kathleen Stassen Berger's always contemporary, always compelling textbook, students learn to see how the basic ideas of developmental psychology apply to their own lives, the lives of those around them, and the lives of others of all life stages and in cultures all around the world. Berger's narrative voice, wide-ranging cultural perspective, and focus on universal themes captivate students from the outset, helping them grasp the important theoretical and scientific work driving the field of developmental psychology today.

This text presents theory, research, practical examples and controversial issues in a way that inspires students to think about development, addressing the individual's role in both the community and the wider world. This second edition contains revised chapters on adolescence and new research into brain development.
