In the original The Wizard of Oz (1939), the Scarecrow points in many directions when Dorothy asks the way to Emerald City. In "Tin Man", Air-of-Day points in all directions when telling the travelers where to find the Seeker. Glitch, who represents the Scarecrow, responds "And you thought I had trouble with directions!"

Tin Man (TV Mini-Series 2007) - IMDb

Tin Man is a 2007 American television miniseries co-produced by RHI Entertainment and Sci Fi Channel original pictures that was broadcast in the United States on the Sci Fi Channel in three parts. The first part aired on December 2, and the remaining two parts airing on the following nights.

Tin Man (miniseries) - Wikipedia

Tin Man is a short book at just over two-hundred pages, but it packs a powerful punch. It follows the intoxicating relationship between Ellis and Michael, from the time they were young boys. In their youth, the pair create their own little world of cycling, swimming and art in 1960s Oxford, a world that eventually graduat

Tin Man by Sarah Winman - Goodreads

Tin Man is a tale of "a once in a lifetime" love and profound loss. The story explores the relationship between Michael and Ellis and then between Michael, Ellis and Annie. The first part of the book presents the story from Ellis's view and the second from Michael's view.

Nick Chopper, the Tin Woodman, also known as the Tin Man or—mistakenly—the "Tin Woodsman," is a character in the fictional Land of Oz created by American author L. Frank Baum. Baum's Tin Woodman first appeared in his classic 1900 book The Wonderful Wizard of Oz and reappeared in many other subsequent Oz books in the series. In late 19th-century America, men made out of various tin pieces ...

"My favorite book of the year was Tin Man. Sparsely written and achingly beautiful...The most powerful take on love, loss and vulnerability I've read in years."—A Cup of Jo From internationally bestselling author Sarah Winman comes an unforgettable and heartbreaking novel celebrating love in all its forms, and the little moments that make up the life of one man. This is almost a love story. But it's not as simple as that. Ellis and Michael are twelve-year-old boys when they first become friends, and for a long time it is just the two of them, cycling the streets of Oxford, teaching themselves how to swim, discovering poetry, and dodging the fists of overbearing fathers. And then one day this closest of friendships grows into something more. But then we fast-forward a decade or so, to find that Ellis is married to Annie, and Michael is nowhere in sight. Which leads to the question: What happened in the years between? With beautiful prose and characters that are so real they jump off the page, Tin Man is a love letter to human kindness and friendship, and to loss and living.

Shortlisted for the Costa Novel of the Year Award "This is an astoundingly beautiful book. It drips with tenderness. It breaks your heart and warms it all at once."--Matt Haig, author of How to Stop Time From internationally bestselling author Sarah Winman comes an unforgettable and heartbreaking novel celebrating love in all its forms, and the little moments that make up the life of one man. This is almost a love story. But it's not as simple as that. Ellis and Michael are twelve-year-old boys when they first become friends, and for a long time it is just the two of them, cycling the streets of Oxford, teaching themselves how to swim, discovering poetry, and dodging the fists of overbearing fathers. And then one day this closest of friendships grows into something more. But then we fast-forward a decade or so, to find that Ellis is married to Annie, and Michael is nowhere in sight. Which leads to the question: What happened in the years between? With beautiful prose and characters that are so real they jump off the page, Tin Man is a love letter to human kindness and friendship, and to loss and living.

A YA graphic novel about unlikely friends—a tin man seeking a heart and a high schooler trying to come to terms with the death of her grandmother In Justin Madson's debut graphic novel, Tin Man, a girl and her brother befriend the titular Tin Man with unexpected results. Solar is in her last year of high school and is reeling from the recent death of her grandmother. She has abandoned her plans for the future and fallen in with a bad crowd. Her little brother, Fenn, doesn't understand why she's changed—she doesn't even want to help him build their rocket in the garage anymore. Campbell is a tin woodsman—a clunky metal man whose sole purpose in life is to chop down trees. He longs for more, however, and decides to seek out a heart, believing that, with one, he will be able to feel things he has never felt before and, therefore, change his life. Equal parts The Iron Giant, The Wizard of Oz, Edward Scissorhands, and Freaks and Geeks, Tin Man is a story about finding friendship in the unlikeliest of places.

The master of military adventure creates the ultimate one-man army.... New York Times bestselling author Dale Brown pits men and technology against impossible odds, in vividly realized stories. Now, in his eleventh novel, he brings aerial combat hero Patrick McLanahan out of retirement and plunges him into the most personal war he's ever fought. His old enemy Gregory Townsend has come to America to ignite a reign of terror that will sweep across the nation. The police and the government seem powerless to stop him. And one of the first casualties in this war is a rookie cop--McLanahan's brother. McLanahan has plenty of experience in war. And so does arms expert Jon Masters. Using Masters's deadliest weapon yet, McLanahan becomes a one-man army, known on the streets as the Tin Man. But this time, technology is a double-edged sword--and his war of revenge may destroy McLanahan himself... and everything he stands for.

Why are men so afraid of showing their feelings? What scares men about commitment? In Understanding the Tin Man, bestselling author William July II tackles these age-old questions, revealing what every woman wants to know about her man, and what every man needs to know about himself. Boys, conditioned to become emotionally closed off, all too often end up like the Tin Man in The Wizard of Oz--hollow on the inside, and unable to cultivate honest, loving, mutually satisfying relationships. Understanding the Tin Man presents a simple, step-by-step program for men who want to change, and for women who want to help their men overcome the Tin Man syndrome. You will learn to recognize a Tin Man, understand why men really fear intimacy, see through the tactics men use to avoid commitment and relationships, identify the five situations in which even the most emotionally numb man will share his feelings, and, most important, learn how to help a Tin Man change his life. With thought-provoking questions and self-improvement exercises for both men and women at the end of each chapter, Understanding the Tin Man is a powerful tonic for relationships and a much-needed voice of reason on the battlefield of the sexes.

Known by millions as the beloved Tin Man without a heart, Jack Haley went well beyond his legendary role in The Wizard of Oz during his career in entertainment. He put his heart into his life and work. He was a pioneer of the vaudeville era, was an accomplished stage actor and dancer, and he appeared in more than forty films. This collection of his writings is a wonderful legacy of words that honors his life and memories.

This collection of letters from a parish priest to people of fiction, history, and literature will delight, encourage, and inspire. It is a reminder to us that

everything and everyone can speak to us of God if we look hard enough.

"Crafted from sheet metal and scraps into likenesses that include clowns, knights, cowboys, and L. Frank Baum's Tin Woodman of Oz, tin men have both utilitarian and aesthetic purposes. Some serve as sheet-metal shops' trade signs or prove an apprentice's competence. Others are coveted in boutiques, antique stores, and folk art museums."--BOOK JACKET.

In the near future, anarchists set off a global pulse that shorts out electrical connections—trapping Private Danny Kelso, Corporal Kate Wade and their platoon inside remote-piloted robots called the Tin Men—and as chaos descends, the Tin Men must decide if they want to stay true to their mission or save themselves.

Meet Crank and Al ... robots on the run. Al is taking Crank to the great recycling plant where, Al says, 'Old useless robots go in and bright new robots come out.' But Crank doesn't want to be recycled. Soon, he and Al are running for their lives. Can they escape the terrible Tin Man and reach the city of Robotika, where robots can be free ...? A refreshed cover look for this well-loved series, illustrated by the incomparable Mark Oliver. Read on with Tunnel Racers, Razorbites, Powerball, The Ghost Sea and Aquanauts.
