Running on Faith, Victor Vail's first book, is an autobiographical look at one man's life and the challenges that he has faced. Through the insanity that was his life, Victor found faith and redemption in the strangest of corners. Never one to give up, he persevered through the valleys that some probably would've never climbed out of. Running on Faith may be a title, but for some, it is a way of life, to have faith on and trust the Most High when you are at your lowest.
